

*Lessons Learned Information Sharing (LLIS.gov)* is the national, online network of lessons learned and best practices for the emergency response and homeland security communities.

## Member Feedback:

"I have found LLIS to have one of the best collections of resource documents available in one place on a variety of different topics."

~ State Homeland Security Official  
Jefferson City, Missouri

"LLIS is a great tool for finding out how other government agencies across the nation are addressing and solving problems very similar to the ones we face here."

~ Emergency Manager  
Raleigh, North Carolina

"I have found the *Lessons Learned Information Sharing* Web site full of valuable and up-to-date information on any subject requiring research for HazMat and WMD topics."

~ Hospital Emergency Response Training Manager  
Los Angeles, California

**Lessons Learned Information Sharing** is a Department of Homeland Security/Federal Emergency Management Agency program. The US Department of Homeland Security, Federal Emergency Management Agency, National Preparedness Directorate, National Exercise Division provides training, funds, and other support to assist states and local jurisdictions in preventing, planning for, and responding to all hazards.
